REGISTRATION FOR NEXT SUNDAY

As of March 1st, capacity limits for all indoor public settings are lifted. This means that, starting this coming Sunday, you will not need to register for a spot in the sanctuary for either our 9 am or our 11 am services! However, for the next 2 weeks we will **still only** offer children’s programming at the 9 am service, so our capacity for children’s ministries remains limited, and registration will be necessary for Calvary Kids for **March 6th** and **13th**, but starting March 20th we will be offering children’s programming at both services, and registration will no longer be needed! If your family has been coming to Calvary for a while, one of our staff will be in touch with you to discuss which service you will generally be attending, so we can ensure a fairly even distribution of children between the two services, while also allowing space for children of new and visiting families. If you have any questions, please speak to Kristine Taylor, our Children’s Ministries Director.

CHILDREN’S MINISTRIES

March 6th we will be running a Plan to Protect training session downstairs at 11 am for volunteers in children’s ministry.

Also, we are still in need of a few more volunteers to enable us to offer children’s ministries at two services each week long term. If you feel called to this vital ministry, please contact Kristine Taylor.

NEW HORIZONS

All Seniors are invited to join us on Monday, March 21st from 11 a.m. - 1 p.m. for "New Horizons". The program this month will include a full meal, with singing, fellowship, and teaching aimed at pursuing our vision at Calvary, which is "to see lives transformed by Christ". Come and be refreshed, informed, and encouraged as disciples of Jesus. Let's grow together and go deep in Christ!

There is no charge for this event, but tickets are necessary so we know how many to prepare for, and they are available by calling or emailing the church office.

"THE HISTORY OF REDEMPTION" CHALLENGE

"The History of Redemption" is a compilation of Bible verses strung together to show the theme of redemption through the entire Bible. This book contains stunning and thoughtful artwork to accompany each Bible passage. To recite The History of Redemption takes about 25 minutes, and we are challenging you and your family to spend a year committing these verses to memory. Memorization is a great way to hide God's Word in our hearts. The History of Redemption will help you to hold God's grand design and purpose in your mind. Having this bank of truth committed to memory will help to give you a firm foundation for your faith, as well as helping you greatly in your Gospel conversations.

I invite any and all to join in on this journey. I especially hope many families will commit to doing this together. It would be such a good foundation for your children's faith.

If you are interested in purchasing "The History of Redemption" book, contact Pastor Dustin personally or at:
